Dear sir/madam

At Infinite Skydiving, we provide you with all that you need to enable you to experience the skydive of your dreams. Whether the experience is for you alone, a group of friends, or a corporate event, Infinite Skydiving will tailor the package to suit your needs....

Tandem

Experience – *The very best way to experience all that the sport has to offer, with the minimum of fuss.*

Course – *Your instructor takes you through a 30-minute briefing; your instructor controls the freefall, parachute deployment and landing, giving you plenty of opportunity to enjoy the thrill of the skydive. You experience at least 35 seconds in freefall, and once the parachute has been deployed you fly around under the parachute for approximately five minutes.*

Cost - £225; *this price includes briefing, one tandem jump, equipment hire and BPA membership.*

For an additional £95 a freefall cameraman can record your tandem experience; this price includes a professionally edited video plus photo stills.

Accelerated Freefall (AFF) - UK

Experience – *Do you ever dream of flying? Skydiving is as close as it gets! AFF is the quickest and most efficient way to turn your dream into a reality.*

Course – *Following six hours of initial ground school training, AFF levels 1-3 are carried out with two instructors, and levels 4-8 with one instructor. The aim of each jump must be achieved before progressing to the next level. All jumps are freefall from a minimum of 10,000 ft.*

Cost - £1,400; *this price includes one-on-one instruction, all equipment hire, eight jumps, BPA membership and 10 minutes tuition in the freefall simulator at Airkix situated in Milton Keynes (worth £160). If you pay for the course in full in advance, you will receive your own personal goggles, and logbook.*

Accelerated Freefall (AFF) - Overseas

Experience – Do you yearn for a warm and cloudless microclimate that provides ideal jumping weather every day of the year? Learning to skydive at an overseas drop zone provides you with an engrossing alternative, Infinite Skydiving Solutions Ltd run courses both in Spain and California, USA.

Course – This is a total package, which includes ground training, the eight jump AFF course, followed by ten consolidation jumps.

Cost – Included in the price is travel and accommodation, one on one instruction, eighteen jumps, all equipment hire and membership of the host country's parachute association. The cost of this course will vary depending on location and group numbers. Full details and costs are available on request.

Parachute Demonstrations

Skydiving is an exciting and visual sport, offering great media and sponsorship opportunities. Infinite Skydiving Solutions Ltd can provide a display team for demonstrations that consist of both freefall and canopy formation flying. For further information, including details of customised equipment, please contact Infinite Skydiving Solutions Ltd for details.

Instruction

All instructors/cameramen are fully qualified and covered by the BPA who acts on behalf of the Civil Aviation Authority (CAA).

Location

The majority of our UK courses are carried out at a drop zone located near Oxford, within easy reach of London and Birmingham, one mile off the M40 and five miles from the train station. All courses take place over the weekend, although alternative locations and weekday courses can be arranged. Please contact Infinite Skydiving Solutions Ltd for details.

Accommodation

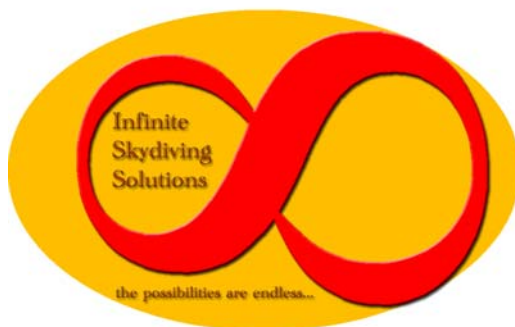

There are plenty of local B&Bs and hotels. Alternatively, camping is available free of charge on the drop zone.
